Website:

The RSSA website, www.rssasoccer.org, is an excellent resource for information on your game schedule, board member and coach contact information, and more.

Please share the website address with your players and their parents, as it is an easy and accurate way for them to access information about the Fall 2009 Season and the RSSA.

Early Bird Registration:

When:

Saturday, October 10 from 9 AM until 3 PM

Where:

Century Park---weather permitting.

In the event of foul weather, we will hold registration at the Rock Springs Recreational Center in the Kid Care room.

Please ensure your players and their families are aware of this and remind them there is a discount for early registration.

For registration questions, contact Stacie Smith at 382-3763.

Challenger Soccer Camp:

We are pleased to announce the Challenger Soccer Camp this year was a resounding success.

We had 169 kids from Rock Springs, Green River, Colorado, and Utah participating this year.

There were six coaches from England and one from Scotland who worked with the kids on improving their soccer skills through creative play.

We are planning to invite Challenger back next year and encourage both the kids and coaches to participate.

Importance of Newsletters:

Newsletters are the only routine communication from the RSSA Board to players, parents, and coaches.

It is vital you distribute this communication to your team every week.

Newsletters will be in coolers at the end of each field on game day. It is your responsibility to collect and distribute them. We also post newsletters will on the Website.

HELP NEEDED:

I am a member of a team and I rely on the team. I defer to it and sacrifice for it, because the team, not the individual, is the ultimate champion.
