

Rock Springs Soccer Association Newsletter

October 10, 2009

Fall 2009, Issue 5

REMINDER:

Coaches, RSSA will NOT be sponsoring pizza parties this year. RSSA has already purchased awards for the players - PLEASE PICK UP AWARDS OCTOBER 17, 2009 - before your last game. Please hand out awards at your last game.

Newsletters will now be grouped by team and coaches name prior to being placed in the coolers at the fields. This will help us keep track of who is and who is not picking up their newsletters. (Please remember to get the news letters and hand them out to the parents, this is our only way to communicate with players and parents).

Coaches if you are not planning on coaching next season please make arrangements with Lyndon Klein, to turn in your equipment at the end of this season.

COACHES CORNER:

It's OK; You Can Play When It's Cold Outside!

Spectators at cold-weather events have more of a problem than the athletes. Layering clothing can help control heat, and remember gloves and a hat is ok even during games.

A coach's behavior must be such as to bring credit to himself, his team and the sport of soccer. While the concept of rivalry is wholly embraced, it cannot take precedence over professional conduct. The attitude and conduct of the coach towards officials, players, spectators and coaches should be controlled and polite. It is unacceptable for a coach to have any verbal altercation with an opposing coach or bench before, during or after the game. Coaches must use their influence on his/her spectators to eliminate unacceptable behavior towards officials, player(s) and opposing team members.
